LETTER FROM THE GENERAL MANAGER

Greg Hatch
General Manager

Dear Members,

Our team is thrilled about the future of our Club with all the major improvements underway on the golf course and the new covered pickleball courts. We understand that the golf course closure is an inconvenience, but rest assured, the end results will be well worth the wait. The golf shop is available to assist you in securing tee times at other public courses, including Pecan Valley. Please note that Pecan Valley requires members to make their own tee times, and the Club will cover your green fees as a member of MVCC.

Please join me in welcoming our new Executive Chef, Ben Lesnick, CEC. Ben is a Certified Executive Chef with over 23 years of experience in country clubs. He will join us in November to collaborate with our culinary team and elevate our dining experience for members and guests alike. While it may take Chef Ben some time to familiarize himself with our operations and get to know our membership, he is eager to bring his culinary expertise to the Club and is excited about being closer to his family in Texas.

We're also excited to announce our traditional Halloween Family Event on Thursday, October 31st, from 5:30 to 7 PM. Join us for a fun-filled evening with DJ Ray, a special dinner prepared by Chef Uli, cupcake decorating, a bounce house, a costume contest, and trick-or-treating around the clubhouse. Please call the Receptionist to make reservations for your family.

We greatly appreciate your continued support of the Club by hosting private events. December is quickly filling up with holiday party bookings. If you haven't reserved a room for your company or friends' Christmas parties, please reach out to MaryEllen Ford to secure your spot. As a member, you also have the privilege of sponsoring a friend or business associate for an event at the Club.

We welcome your feedback on every visit, as it helps us recognize our staff for their excellent service or provide coaching where needed. It is an honor to serve as your General Manager, and please don't hesitate to contact me directly if I can assist you in any way.

Warm regards,

Greg Hatch
General Manager
